Special Olympics

Kristin Hermann will not be here next Thursday, Friday or Saturday for lessons that is June 5,6 & 7. She, Kristen K., Mary Louise, Kristin F., Courtney and

Molly the two riders plus, Spirit and Babe (the horses) are going to the summer games in State College for Special Olympics.

Just so you know, we are paying for this from our own pocket and have been doing fund raising for this venture. So, if you find a few dollars or hundred dollars in your pocket book or bank, please contribute your tax deductible donation to **In Stride with Life** to help fund Equestrian Special Olympics in Washington County - a first!

And, not only are we traveling in the horse trailer for four to three hours one way, but you would also be contributing to the time it takes for two trainers, and three volunteers to give of their selves for three days to make this happen. Not to mention, the lessons we give at the farm for those lucky riders who get to take lessons at Coventry to participate in Special Olympics.

Thank you, Kristin times three, Coventry, Spirit, Babe, Mary Louise, Tracey, Valerie and Sarah. Plus, all the other volunteers that help the Special Olympic riders Tuesday and Wednesday at 530 pm at Coventry. And, THANK YOU to those of you who have already contributed time and or funds..

Molly and Spirit to the right at Coventry show and Hannah (one of our Olympians) on Spirit with Kristen Kolenda.
